

Warning Notice - ES-495

Employee Information

Field	Value
Employee Name	Yasser Touil
Story ID	ES-495
Warning Level	First Warning
Date Issued	January 4, 2026

Story Reference

[View Story on Jira](#)

Task Description

Yasser Touil was responsible for doing a **benchmarking of the Project Management Service**, so that we can easily gather ideas when we need to develop a new project management service — especially since we are very close to completing the **cvcs-service**.

Reason for Warning

- Did not complete the assigned story
 - Did not respond to messages for **1 week**
 - No communication or updates provided
-

Rules Violated

1. **Failure to complete assigned story** - Story was not delivered without any excuse
 2. **Communication breach** - Did not report any issues at least 48 hours before the deadline
-

Evidence
